

MAYDAY 07

**Working 9 to 5
Suited and BOOTED**

We are heading on a crash course, our profit lead corporate system is ruining our planet and our lives.

When was the last time you worked just a 9 - 5? Do you believe any of this corporate greenwash?

We are all going to have to change. We are going to have to learn to share, to care, and to play again.

Lets take to the city, turn the social rules upside down, dance in the streets, sing, party and bring healthy chaos to this dull order.

Lets re-invigorate this ancient day of trouble and celebration. Don't be a cog in the machine, be a spanner in the works!

Join us, at 5pm on Tues 1st May in the heart of the corporate world.

All you need is a good disguise. Dress in your smartest of suits (undetected to police radar) and then at 5pm on the dot, party with us!

Bring stealth instruments hidden in cases, bring drinks, cakes and smiles to share.

Like the Thomas Crown Affair but with dancing troublemakers!

Meeting point to be announced on www.spacehijackers.org the day before ...

SPOT THE DIFFERENCE!

How to look like a city worker and not a protestor

Cunts Are Still Running the World

Well did you hear, there's a natural order.
Those most deserving will end up with the most.
That the cream cannot help but always rise up to the top,
Well I say: Shit floats.
If you thought things had changed,
Friend you'd better think again,
Bluntly put in the fewest of words,
Cunts are still running the world,
Cunts are still running the world.

Now the working classes are obsolete,
They are surplus to societies needs,
So let 'em all kill each other,
And get it made overseas.
That's the word don't you know,
From the guys thats running the show,
Lets be perfectly clear boys and girls,
Cunts are still running the world,
Cunts are still running the world.

Oh feed your children on Cray fish and Lobster tails,
Find a school near the top of the league,
In theory I respect your right to exist,
I will kill ya if you move in next to me,
Ah it stinks, it sucks, it's anthropologically unjust,
But the takings are up by a third, Oh So
Cunts are still running the world,
Cunts are still running the world.

Your free market is perfectly natural,
Or do you think that I'm some kind of dummy,
It's the ideal way to order the world,
Fuck the morals, does it make any money?
And if you don't like it? Then leave.
Or use your right to protest on the street,
Yeah, use your rights but don't imagine that it's heard,
Oh no no,
Cunts are still running the world,
Cunts are still running the world.
