

## Chants / lyric sheets

Q: What do we want?  
A: More money!  
Q: When do we want it?  
A: Backdated from September 2007!

Q: Who's streets?  
A: Our streets!

1, 2, 3, 4  
money for the police force!  
5, 6, 7, 8  
or we will not serve the state!

NO JUSTICE! NO PEACE!  
WE ARE THE POLICE!

## I wanna be A Police Officer

Mama and Papa were lyin'in bed,  
Papa rolled over and this is what he said:  
I wanna be a police officer,  
Not just any ole police officer.  
I wanna be a baton master,  
Swingin' that baton harder and faster.  
I wanna be a protest blaster,  
hittin' that anarchist with an 'order.  
I wanna be a bureaucrat,  
Wearin' that suit all shiny and super.

But if all they give's a dandiprat  
I'm not gonna wear this stupid hat!  
(bis if very excited)

I wanna be a captain please sir,  
Makin' calls and saving lives sir,  
I wanna be a captain sir,  
So give me some more, like a teacher!
